Re: Oak Tree Mobile Home Park Pool Reopening

Dear Resident:

I represent Oak Tree Mobile Home Park. They are looking into opening the pool, but the strict COVID requirements remain in place. They contacted the health department, and the community does not have the things the health department still requires, a covid monitor, an exhaust system, sanitary stations, etc. In addition, Chlorine is in short supply. Many pools are still not opening.

Oak Tree Mobile Home Park hopes to open next year when these restrictions are lifted. We will keep you informed.

Very truly yours,
